

PROPOSED RULEMAKING

ENVIRONMENTAL QUALITY BOARD

Acceptance of Rulemaking Petition for Study

[49 Pa.B. 2004]

[Saturday, April 27, 2019]

On April 16, 2019, the Environmental Quality Board (Board) accepted a rulemaking petition for study under 25 Pa. Code Chapter 23 (relating to Environmental Quality Board policy for processing petitions—statement of policy). The petition requests the establishment of a program to limit greenhouse gas emissions.

Under the Board's acceptance of the petition, the Department of Environmental Protection (Department) will prepare a report evaluating the petition. This report will include a recommendation on whether the Board should proceed with a proposed rulemaking and, if so, the process that the Department would need to undertake to develop a proposed rulemaking.

The previously-referenced petition is available to the public by contacting the Environmental Quality Board, P.O. Box 8477, Harrisburg, PA 17105-8477, (717) 783-8727, and is accessible on the Department's web site at www.dep.pa.gov (select "Public Participation," then "Environmental Quality Board (EQB)," then "2019 Meetings," then "Meeting Agendas/Minutes/Handouts; April 16, 2019").
